

Dr. Julian Webber, BDS, MS, DGDP, FICD. Born 1952

After qualifying from Birmingham Dental School, UK in 1974, Dr. Webber worked as an Associate in a National Health Service Practice for two years before continuing his education at Northwestern University Dental School, Chicago, Illinois, USA. As the recipient of the prestigious Charles Freeman Scholarship of the American Dental Society of Europe he was the first UK dentist to receive a Master of Science Degree and Certificate in Endodontics and returned to the UK in 1978.

Dr. Webber has held teaching positions both at Guys Hospital and Eastman Dental Schools in London whilst maintaining a practice limited to Endodontics in central London since 1978. In October 2002, he opened the Harley Street Centre for Endodontics, a purpose built state of the art clinical teaching facility.

Dr Webber devotes much time to teaching and writing having contributed to numerous journals and textbooks on Endodontics and extensively lectured around the world. His major lectures include the British Dental Association, the British Endodontic Society, The Irish Dental Association, the American Association of Endodontists, the European Society of Endodontology, the Dutch Endodontic Society, The Israel Endodontic Society, The Belgian Dental Association, The French Endodontic Society, The French Dental Association, Arab Dentistry (Dubai), AAEDC (Dubai), the Portuguese Dental Association, the Malaysian Society of Endodontology, the FDI Singapore and Australia, South African Dental Association, Spanish Dental Association and Endodontic Society, Ukraine Dental Association and Endodontic Society, Swiss Endodontic Society.

Dr. Webber is a former President of the British Endodontic Society, a member of the American Association Endodontists, European Society of Endodontology, a member of both the American Dental Societies of London (past president) and Europe (current vice president), a member of the Pierre Fauchard Academy and a Fellow of the International College of Dentists. He is a faculty member of the Pacific Endodontic Research Foundation in San Diego, California, USA where he has perfected and taught techniques on Microscope, Conventional and Surgical Endodontics. Dr Webber is a visiting Professor at the University of Belgrade, Serbia and Montenegro

Dr. Webber's lectures and courses on all aspects of **Clinical Endodontics** including many **Hands On and Workshops** on the use of rotary NiTi and three dimensional obturation techniques are very much in demand and he has traveled widely in the UK and abroad in such places as Australia, New Zealand, Germany, Russia, Turkey, Mexico, Brazil, Argentina, Chile, Colombia, Guatemala, India, China, Taiwan, Hong Kong, Korea

In 1998, he became Editor in Chief of **Endodontic Practice** journal, a clinical endodontic journal which has rapidly grown into a world leader in its field with a large circulation both in the UK and worldwide and is now published in the US and throughout Russia and former CIS (in Russian).
